About Gulval Village Hall

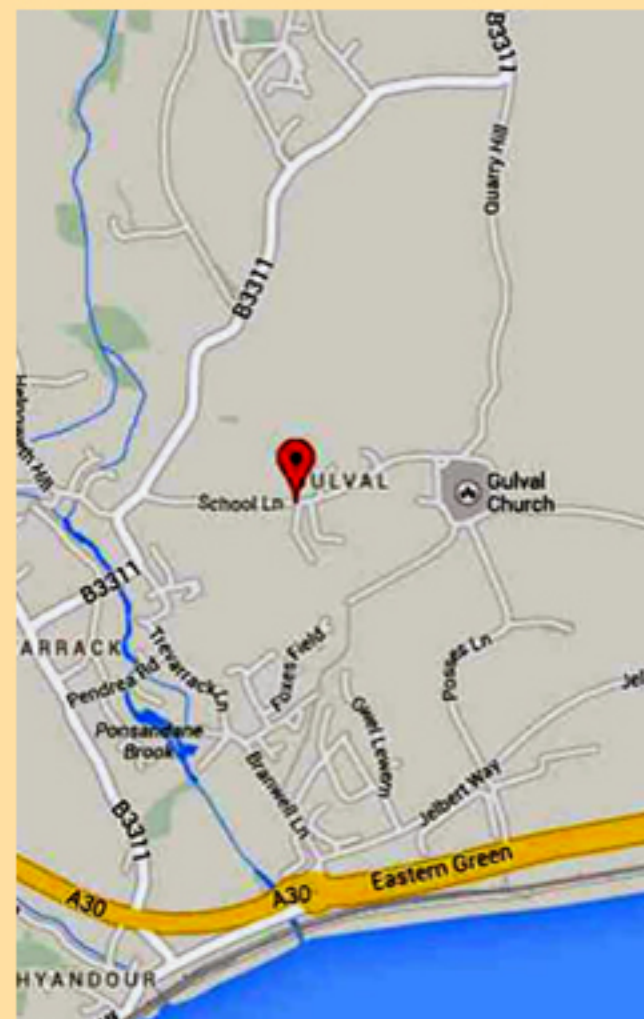

The Village Hall (Lanisley Manor Hall) was built in Gulval (a small village situated approximately 1 mile east of Penzance) in 1914 by R.F.Bolitho of Ponsandane, and heavily restored in 2000.

The main hall has a raised stage and is suitable for any occasion that requires more space than you have at home for a gathering of up to 85 people seated and 120 people standing. The minimum period of hire is two hours and there is the option for a selection of buffet menus available. A bar can also be provided.

There is a Committee Room that can accommodate 20 people, and a fully equipped kitchen that is also available.

Parking is limited to a maximum of 12 vehicles on site, but there is other parking close by, depending on the time of day.
